

New York AXO Alum Chapter Newsletter January 1, 2009

Book Club 1/13

Our first book club of the year is on Tuesday, January 13. We'll be discussing the title *Forever* by Pete Hamill which is a novel about a man who is given the opportunity to live forever as long as he never sets foot off of the island of Manhattan. Not only is it a great read, but it is even a little bit of a NYC history lesson to boot

We'll be meeting at the Marriott Marquis Hotel in midtown. When you get to the hotel, head up to the eighth floor. We'll be sitting at a table in the Atrium Lounge--there's a bar, a sushi joint, and other food places scattered around the floor so we can grab a drink or something to eat before we get started. Drop Meredith or Ashley an [email](#) if you have any questions.

Even if you don't have time to read the book, feel free to come on by to enjoy the company--hope to see you there!

When: Tuesday January 13
